

# 字形尺親子活動

## 活動一

### 1. 物資準備：

- 空白字形尺(可列印附錄或自行繪畫)
- 一個透明文件夾
- 一支可輕易擦掉的筆(如水筆或白板筆)

### 2. 步驟：

- 將字形尺放入透明文件夾中，方便在外層書寫。
- 請孩子在文件夾外層對應字形位置填字。
- 完成後擦去答案，再次練習以加強記憶。
- 重複以上步驟，直到熟練。

## 活動二

- 在最後一頁的空白字形尺上，填寫自己喜歡的字，製作獨一無二的字形尺。
- 孩子也可以繪製合適的提示圖像，或貼上貼紙，覆蓋原本的版本，增添個人特色。

(家長可參考左側上下結構的示範例子)

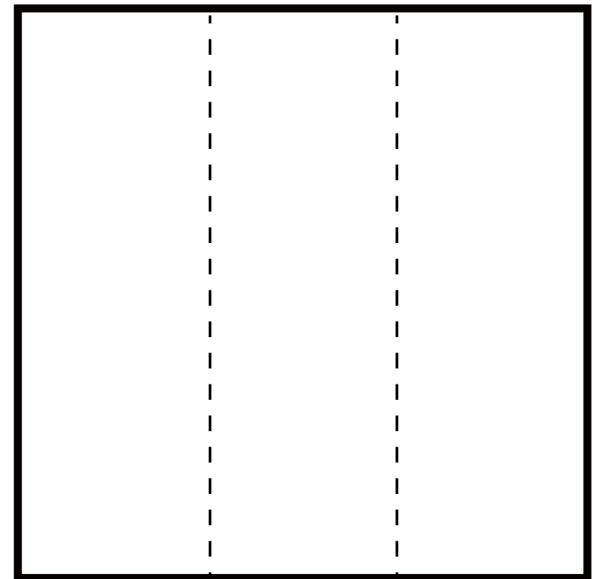

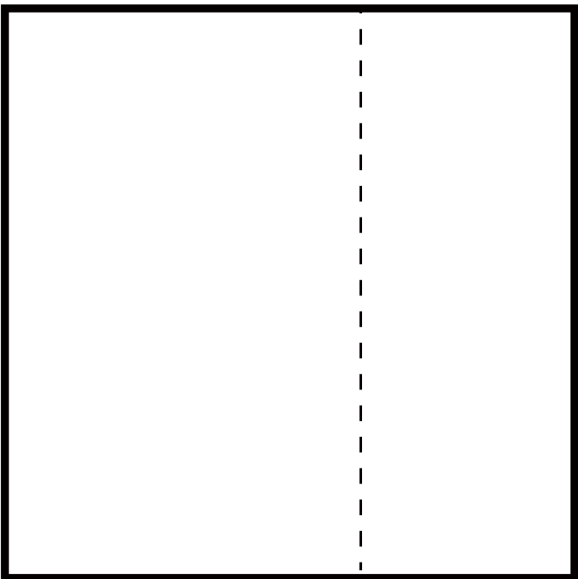

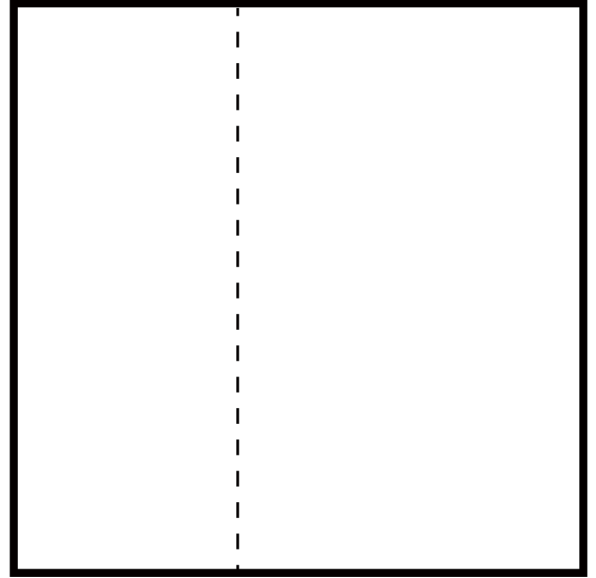

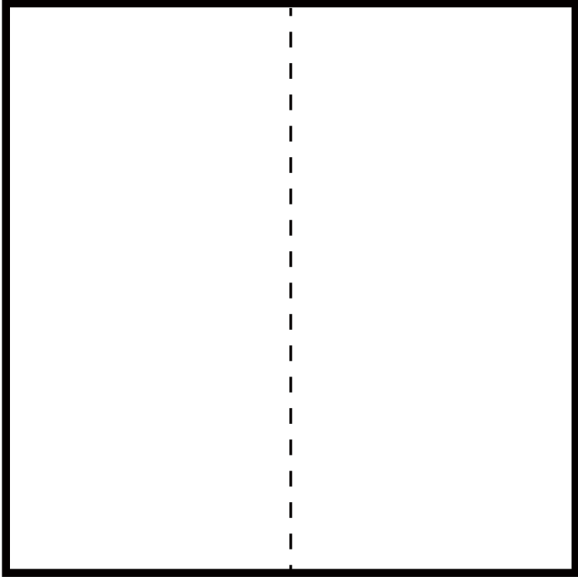

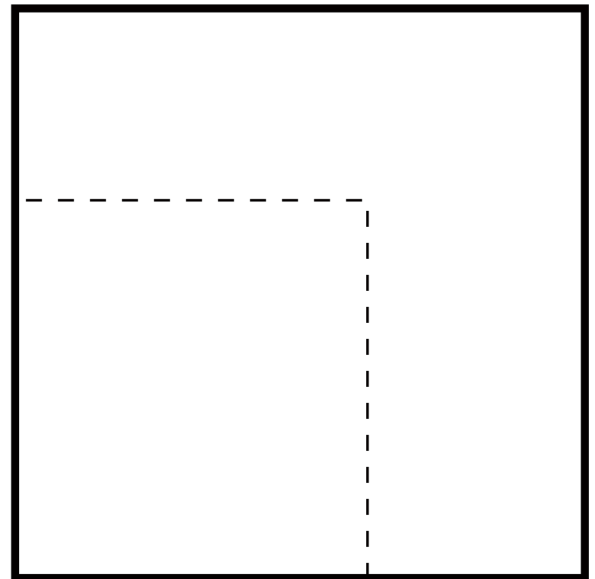

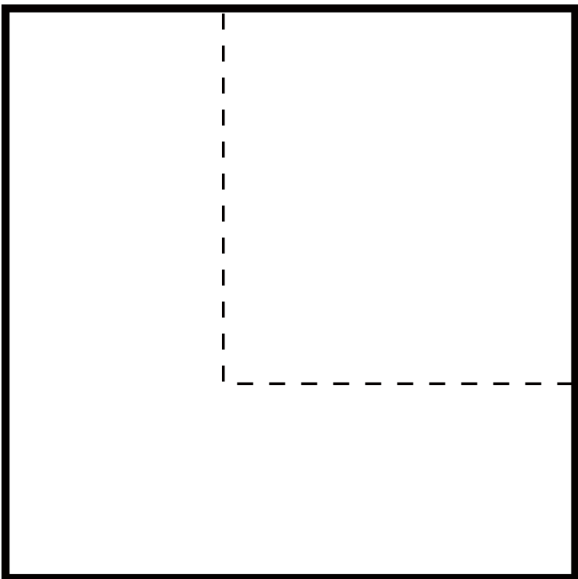

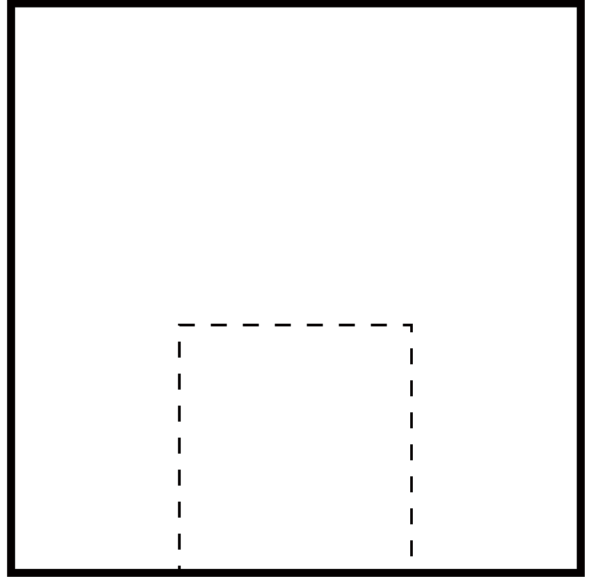

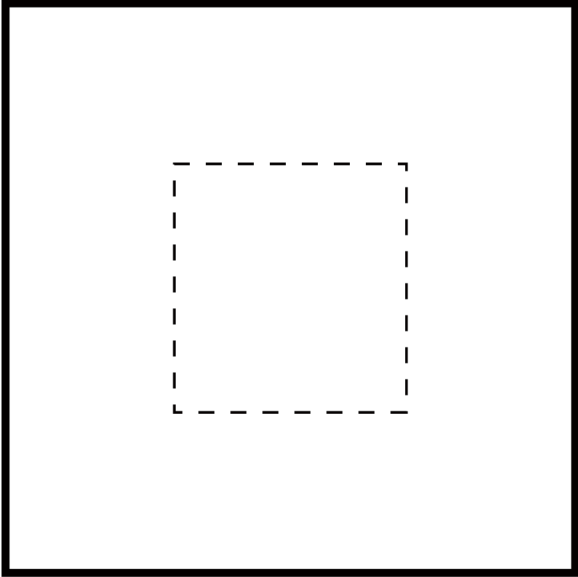

A square box with a solid black border and a dashed horizontal line across the middle, intended for a drawing or response.

A square box with a solid black border and a dashed horizontal line across the middle, intended for a drawing or response.

A square box with a solid black border and a dashed horizontal line across the middle, intended for a drawing or response.

A square box with a solid black border and two dashed horizontal lines across the middle, intended for a drawing or response.
