

Transition Thinkpad

Think...

What will it be like in my next class?

OR

What will it be like in my next school?

I'm a bit lost...

What's your name?

Will it be scary?

Imagine it's your first day in your new class or new school. Draw pictures of how you think the day will be.

Use speech bubbles  or thinking bubbles  to show what you might say and what you might be thinking...
